Generation of Peers

4. MARIA JOHANNA MIENTJES (The subject of this report). She died on 31 March 1943 in Rotterdam. She was buried on 5 April 1943 in Rotterdam, RK begraafplaats Crooswijk.

Notes:

- *Biography:*
Op 31 maart 1943 werd de stad getroffen door een bombardement van de geallieerden; de verwoesting van Rotterdam-West in de omgeving van de Schiedamseweg was aanzienlijk. Maria Johanna Mientjes kwam met haar drie kinderen om het leven.
De diverse overlijdensadvertenties in het Rotterdamsch nieuwsblad spreken van een "noodlottig ongeval". Het Vaderland en het Rotterdamsch nieuwsblad van 6 april publiceren vele namen van slachtoffers, die op dat moment bekend geworden zijn.
Foto's zijn te zien op de website van de gemeentelijke archiefdienst van Rotterdam.

5. F. BAL (Maria's husband). F. died dated '+'.
Note: *See Notes Section - reference 1.*

F. Bal married Maria Johanna Mientjes⁴. They had three children:

Cornelis Franciscus Theodorus Bal¹

Franciscus Bal²

Dorothea Wilhelmina Aldegonda Bal³

This family is shown as family tree 1.

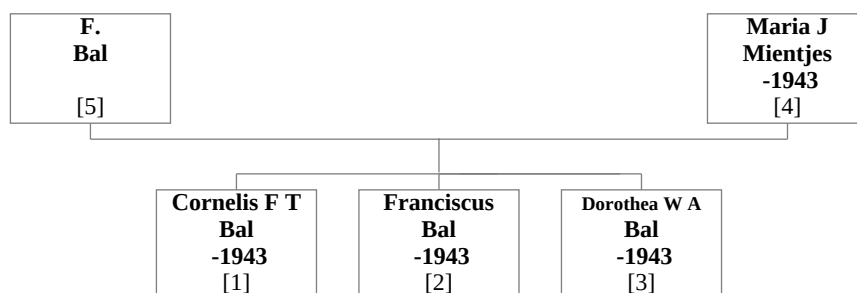

5. FAMILY TREES

The following family trees each show the reported children, parents, grandparents and great-grandparents of a family group. In order to reduce redundancy, any family group which is wholly included within another family tree may not be reported separately.

Above each of the great-grandparent boxes (top row), a continuation family tree reference number in angle brackets is shown if the great-grandparent is recorded as a child in the continuation tree. A continuation reference number is also shown to the left of a grandparent or parent box if that individual has siblings reported in the continuation tree; and beneath a child box (bottom row) if that individual has children reported in the continuation tree.
